P.I.N. Number:		
Property Owner:		
Address:	Phone:	Cell:
City:	State:	Zip Code:
BACKFLOW AGREEMENT CONDITIONS		
As owner of the property listed below, I understand that the R.P.Z. (Reduced Pressure Zone) device is required by State Code, to be installed as part of the lawn sprinkler system (irrigation) and must be inspected and tested annually for the life of the lawn sprinkler system. The inspection and test must be conducted by a certified/licensed tester. The results of the annual inspection and test shall be entered online by the certified/licensed tester at https://bsionline.com/ . In addition, all expenses for testing and repair now, and in the future, shall be paid by the property owner. All individuals installing lawn sprinkler systems are required by the State of Illinois to be Licensed Plumbers.
