

HOMEOWNER BUILDING PERMIT CERTIFICATION

I, _____ hereby swear and affirm under oath:

- 1) That I am the owner of and that I reside in the residence located at _____, Carpentersville, Illinois, (the "Premises").
- 2) That I have applied for a building permit with the Village of Carpentersville to do work upon the Premises as set forth in the Building Permit Application dated _____.
- 3) That I will be personally doing the work as set forth in said Building Permit Application and no contractor for hire will be performing any work at the Premises.
- 4) I have been advised and I acknowledge that if any person other than me is determined to be performing work upon the Premises a STOP WORK order may be issued.
- 5) I have been advised and I acknowledge that all work must be performed in strict conformance with the building and zoning codes of the Village of Carpentersville.
- 6) I have been advised and I acknowledge that all work performed will be subject to inspection by the Village of Carpentersville and will promptly schedule all inspections to be conducted.
- 7) I authorize the Village of Carpentersville to enter upon the property to conduct the required inspections.
- 8) I will reside in the Premises for a period of at least six (6) months after the final inspection for the work is completed.
- 9) I agree to take full responsibility for all work completed upon and the conditions of the Premises.
- 10) I am certifying the above under oath and am subject to the laws for perjury for any untruthful statements made herein.

NOTICE

In order for a homeowner to list him/herself on the Contractor's List he/she must guarantee and certify under oath that he/she personally will be performing each of the trades that he/she has listed on the permit application. In order to be listed as the homeowner/contractor, this Building Permit Certification must be signed and notarized. This certification requires the following:

- You must reside in the residence for a period of six (6) months after the final inspection.
- You must ensure that the required inspections are scheduled and conducted.
- You must take full responsibility for the project and conditions.
- If it is found that someone other than yourself is performing the work, there will be a STOP WORK order issued.
- You are subject to prosecution for perjury for any untruthful statements made within the certification.
