- e. ☐ Yes ☐ No The proposed use will not substantially detract from the use of neighboring property or from the character of the neighborhood, and that the use of the adjacent property is adequately safeguarded. Further, the proposed use, located on the proposed property, with the present and proposed characteristics of each, and considering the present and proposed characteristics of the neighboring properties, will not cause negative impacts over and above those typically associated with such uses located and operated in a usual manner.

Unless the answer is "Yes" or "Not Applicable" to ALL of the above, and evidence in the form of testimony or documentation is provided, the Zoning Board cannot grant a special exception. In some cases, an Applicant might seek a variance to correct a specific item listed above.

B. Variance

Purpose and Applicability: A variance is relief from a specific provision of the Zoning Ordinance. Zoning Ordinance requirements apply across an entire district. Because each individual property is unique, it is possible that a specific Zoning Ordinance requirement could impact a property in an unequal, unfair or arbitrary manner, i.e. in a way different from other properties in the district. If the Zoning Ordinance imposes an "unnecessary hardship" on the property, as determined by the following five specific criteria, the Zoning Board is permitted to grant a variance.

Please answer the following questions regarding the property:

1. ☐ Yes ☐ No There are unique or peculiar physical circumstances or conditions including irregularity, narrowness, or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property, and the unnecessary hardship is due to such conditions, and not the circumstances or conditions generally created by the provisions of the Ordinance in question that are not shared by other properties in the vicinity.

Describe why the property is different from the other properties in the district:

2. ☐ Yes ☐ No That because of such unique or peculiar physical conditions, there is no possibility that the involved property can be developed in strict conformity with the provisions of this ordinance, and that the authorization of a variance is necessary to enable reasonable use of the property:

Describe why the property cannot be used in conformity with the Ordinance:

Property Address: _____

3. ☐ Yes ☐ No That such unnecessary hardship has not been created by the applicant:

Describe how the hardship was created:

4. ☐ Yes ☐ No That the variance requested, if granted, will not alter the essential character of the neighborhood or district in which the property is located, nor substantially or permanently impair the appropriate use or development of adjacent property, nor be detrimental for public welfare.

Describe how the variance will impact the neighborhood:

5. ☐ Yes ☐ No That the variance requested represents the minimum variance that will afford relief and will represent the least modification possible of the Ordinance:

Describe why this is the least possible modification to the Ordinance:

Unless the answer is "Yes" to ALL of the above, and evidence in the form of testimony or documentation is provided, the Zoning Board cannot grant a variance.

Property Address: _____

D. Zoning Appeal

Purpose and Applicability: The Zoning Hearing Board shall have the powers and duties in accordance with the provisions of the Pennsylvania Municipalities Planning Code, as amended, including hearing and deciding appeals.

You may want to also apply for a Variance, in the event the appeal is denied.

1. Describe the purpose of appeal:
