Disclaimer Information

All owners of a premise served by Municipal water are responsible to abide by all the Codified Ordinances and Water Rules and Regulations of The City of Streetsboro. Failure to abide by any rules set forth are subject to service interruptions covered by section 100.07 of the Water Rules and Regulations. This includes but not limited to access to any premise for the purpose of changing out water meters, inspections for cross-connections, and for non-payment. Codified Ordinances and Water Department Rules and Regulations can be viewed online at Cityofstreetsboro.com
