List name of person/agency that will maintain items in Right of Way:

Contact No.:

Contractor must provide a construction bond that is equal to or greater than the cost of construction. The bond must be good for one year construction and maintenance issued in the name of the City of Missouri City. The bond must be submitted with the application.

If you understand please initial here:

Bond Attached:

This is to certify that I, the Contractor, being issued this permit for construction, will comply with all requirements of the Missouri City Code, Infrastructure Standards Manual, and the Wireless Services Design Manual, if applicable. I, the Contractor understand that the City of Missouri City shall not be responsible for the maintenance of any items that are installed in the Right of Way.

Signature of Contractor

It is the responsibility of the Contractor to insure that the job has all applicable required inspections.

PENALTIES:

Where work for which a permit is required by this Code is stated or proceeded prior to obtaining a permit, the fees herein specified shall be **DOUBLED**, but the payment of such double fees shall not relieve any persons from fully complying with the requirements of this Code in the execution of the work nor from any other penalties prescribed herein.
