Important Information

***** Your pet must have a valid rabies vaccination valid through November 1, 2026 for a 1-year license or November 1, 2028 for a 3-year license.

NEW LICENSES: For new licenses, please include proof of rabies vaccination and spay/neuter status.

RENEWALS: For renewals, include any update of rabies vaccination and/or altering of animal. Please advise of any changes to address, phone and/or email address.
Please be reminded that per Township Ordinance 9-4.3A, a late fee of \$5.00 per month per animal will begin to accrue after February 1, 2026.

NJDOH advises that boosting your pet for rabies prior to the expiration date (up to one year) is standard practice. If your veterinarian determines that the vaccine is contraindicated for your pet, the vet must document this by completing the NJDOH Certificate of Exemption Form VPH-28. A copy of this form should be submitted with your application.

Licenses may also be renewed via the SDL portal. The link may be found on the Township's website at www.rockawaytownship.org.

Please make checks payable to: Township of Rockaway

Paper applications should be mailed, placed in the Municipal Building drop box or processed in person at the Township's Division of Health.
