

Town of Marion
Application for Building Permit
PO Box 260, Marion, NY 14505
Phone: 315-573-0233

Date: _____

Permit # _____

All inspections must be called for 24 hours in advance

Application is hereby made for a Building Permit in Compliance with the New York State Fire Prevention & Building Code for the construction of building, additions or alterations or for removal or demolition. The applicant agrees to comply with all applicable laws, ordinances and regulations. All work shall be performed in accordance with the approved building permit application including any supporting information and documentation, such as construction documents, written statements, and submittal documents. The building permit holder must notify the authority having jurisdiction immediately in the event of changes occurring during construction. Work is to be completed in one year or apply for a Permit Renewal. Each year, for two years, a renewal will be granted by which time the work must be completed. Any further extension will be granted only by Zoning Board of Appeals. Insurance: Certificate of worker's compensation and liability insurance required.
