Please indicate building materials to be used: _____

Lot Diagram (required):

Attach a scaled plot plan: Drawings may be 8 ½" x 11" paper. Show the following:

1. The actual shape, location and dimensions of the lot in feet.
2. Size and location of the chicken coop
3. The distance between the lot lines, structures, and the coop
4. Streets must be labeled, please include a north arrow.

The zoning administrator may require additional information concerning the lot or adjoining lots essential for determining whether the provisions of this Ordinance are being observed.

- Chicken coops may be in the rear yard only
- Coops may be no larger than 36 square feet in size and 5 feet in height.
- Coops may be no closer than 10 feet to the property line
- Chicken coops may be no closer than 40 feet to an adjacent neighbor's house

Fee: \$50

Certification

I certify that all statements made above and in attached documents submitted to the Village of Paw Paw related to this application are true and accurate to the best of my knowledge and that if found to be in error, any decision of the Village based upon the contents of this application may be void.

I understand that any permit granted does not exempt the applicant from complying with any state law, county or local ordinance or building codes. Applicant must confirm that construction does not extend into any public or private easements located on said property nor shall construction impede the natural flow of water nor cause excess water flow onto the adjacent properties.
