Chapter 130. Streets and Sidewalks

Article I. Road Specifications

§ 130-14.15. Work in existing Town streets.

- A. All work to be performed within an existing Town street shall be subject to the approval of the Town Highway Superintendent. The contractor, developer or other such person performing the work shall be required to obtain a road opening permit and pay any and all such fees that may apply relation to the same.
- B. The contractor or person performing the work shall be required to submit to the Town a certificate of insurance listing the Town of Marlborough as additional insured (providing primary coverage), providing liability and property damage insurance with a limit of liability not less than \$1,000,000.
- C. All work shall be subject to the review of Town representatives, and the contractor or person performing the work shall schedule such work as to permit the necessary reviews and inspections. Where applicable, a fee shall be paid to the Town for such reviews and inspection.
- D. All work shall be in accordance with generally accepted and recognized guidelines and the specifications for road opening permit guidelines in effect at the time of the work.
