

City of Hoopeston Tree Permit

Please return this form to:

City of Hoopeston
301 West Main Street
Hoopeston, Illinois 60942

In order to properly care for the trees rooted on public property it is essential that the City is aware of any new trees that are planted on public property. After all, trees that are planted on public property ultimately become the property of the City of Hoopeston. It is just as important that the City knows when removal of trees is planned on City property. Please refer to Chapter 12.32 of the City of Hoopeston Municipal Code for further information.

A permit must be obtained by residents/contractors wanting to perform any of the following activities on City property (please check all that apply):

☐ Planting of a tree or shrub on City property

☐ Removal of a tree or shrub on City property (including dead trees)
