PROPOSED GRADING AGREEMENT

The undersigned hereby agrees to establish the final grading of this permitted property in conformance with the City's current Standard Specifications, and to the approved master grading plan on file with the City Engineering Division, if any. The builder is further responsible for obtaining this information and may generally do so through the developer of the subdivision, or the Engineering Division.

It is understood that the City Engineer or his designee will make the sole determination as to compliance of the final grading and its acceptance. The builder's or agent's signature below indicates acceptance of these conditions, and waiver of any dispute which might arise concerning this issue.
