Notarized Form For Non-Cooking Establishment

In order to be approved as a Non-cooking Establishment, the facility will not produce any fats, oil, and grease. The establishment may: 1) Prepare beverage items like water, tea, and soda. 2) Primarily engage in the preparation of pre-cooked food items that do not require any form of cooking, such as pre-cooked frozen foods. 3) This establishment does not dish wash items contaminated with fats, oil, and grease that could discharge to the sanitary sewer system.

This form must be completed, signed, notarized, and returned to the Pretreatment Office.

Name of Business: _____

Business Address: _____

I _____, hereby attest that activities at my food service facility shall be limited to:

Describe method of food preparation: (*example: microwave, slow cookers, heating trays, sous-vide process, etc.*)

Describe types of foods and number of meals served at peak mealtime hours: (*example: pre-cooked meats, chicken, fish, shrimp, pre-packaged foods, etc.*)

Describe food containers and dish washing plans, (*example: disposable plates, glasses, and pans/paper, plastic, or aluminum*)

List any appliances used at this location: (*example: stove, oven, microwave, toaster, etc.*)

I understand that if business conditions change causing excessive fats, oils, and grease to be discharged into the sanitary sewer system, a trap will be required. This form does not exempt any portion of the Uniform Plumbing Code.
