****PROOF / DOCUMENTATION OF PA ONE-CALL MUST BE PROVIDED TO BOROUGH
PRIOR TO COMMENCEMENT OF ANY EARTH WORK****

DATE:		APPLICANT:	
ADDRESS:			

EXACT LOCATION OF PROPOSED OPENING OR EXCAVATION AND APPLICABLE DRAWINGS:

PURPOSE:	

APPROXIMATE AREA TO BE DISTURBED IN SQUARE YARDS:

It is hereby agreed that all work shall be done in full compliance with the ordinances of the Borough of Oxford and the laws and regulations of the Commonwealth in relation thereto. It is further agreed that I/We shall well and truly save, defend and keep harmless the Borough, its agents and assigns from and indemnify them against any and all actions, suits, demands, payments, costs and changes for or by reason of the proposed opening or excavation, and all damages to any person or property resulting in any manner there from, or occurring in the prosecution of the work connected herewith, or from any other matter, cause or thing relation thereto; and that I/We will be responsible for maintenance of the portion of the street disturbed by such opening or excavation, and the restored surface thereof for a period of one year following the restoration and completion of the work for which such opening or excavation was made. All necessary and reasonable precautions will be taken to keep the street in a safe and passable condition both day and night by the placement of barriers, guards, warning lights and signs.

Applicant's Signature:				
Fee:	\$100.00 (minimum fee)	+	Additional \$10.00 per SY of disturbed area over 5SY:	Total: \$

CONDITIONS:

- The permit application must be accompanied by two sets of engineered drawings for review and comment by the Borough's engineers. A detailed description of the scope of work is also necessary.
- The cost of the permit, any inspection costs and the cost for the engineer's review will be collected at the time the application is accepted.
- If there is to be any encroachment onto any private property adjacent to the Borough's right-of way, copies of signed easements from the property owners must also be included with the application.
- Trench backfill and restoration shall be in accordance with the attached details and with any additional requirements stipulated herein.

DOES THIS PROJECT REQUIRE A STREET CLOSURE? Y N

If 'yes':

- A detour plan & details are required with this application, to include time frame.
- Applicant must notify Chester Cnty Emergency Management Services

Received and Approved By:		Date:
---------------------------	--	-------

I, _____ have received a copy of the sidewalk and curb specifications for the Borough of Oxford. I understand and will perform the work per the Borough of Oxford's specifications. If I have any questions I may contact Scott Moran (Building Inspector) 610-637-1003. I will be responsible for the replacement of any work that does not meet the specs provided.

A pre-pour inspection and final inspection are required.

(I will be responsible for calling Scott Moran to set up to schedule these inspections)
