Application for Yard or other Sale Permit

The undersigned hereby applies for a Yard Sale Permit, to be issued on the basis of the representation contained herein, all of which the applicant swears to be true.

1151.03:

Yard Sales: Yard sales are permitted in residential areas, provided that such yard sale lasts no longer than three (3) days. There shall be no more than three (3) yard sales per year, per residential lot containing a dwelling unit.

1153.04

(a) **Signs in Public Rights-of-Way.** Except as provided herein, no sign shall be erected, constructed, or placed within any public right-of-way or on any tree, pole, post, meter, or similar object located within the public right-of-way. Under no circumstance may any sign that is permitted in the right-of-way interfere with vehicular or pedestrian visibility. Signs interfering with visibility will be removed.

(1) The following signs may be installed in the public rights-of-way without a permit:

- A. Signs conforming to the Manual of Uniform Traffic Control Devices.
- B. Signs installed by employees or officials of a municipal, state or federal agency in the course of their governmental duties.
- C. Signs required by a state or federal statute.
- D. Signs required by an order of a court of competent jurisdiction.
- E. Public directional and safety signs.

The Community Development Coordinator may remove any sign illegally placed within the right-of-way. The Community Development Coordinator may attempt to contact the owner of the sign and may retain the sign for five (5) days. If the owner fails to contact the Community Development Coordinator or claim the sign within five (5) days, it will be destroyed
