

# **Baseline Monitoring Report**

## **Priority Pollutant Form**

### **Instructions**

Place an "X" in the appropriate box by each chemical, whether it is Known to be Present, Suspected to be Present, Known to be Absent, or Suspected to be Absent in the facility's manufacturing or service activity or generated as a by-product.

If Known or Suspected, enter the concentration per day in the provided field.

| EPA Priority Pollutant List | Known Present | Suspected Present | Known Absent | Suspected Absent | Known or Suspected Conc./ Day |
|-----------------------------|---------------|-------------------|--------------|------------------|-------------------------------|
| Acenaphthene                |               |                   |              |                  |                               |
| Acrolein                    |               |                   |              |                  |                               |
| Acrylonitrile               |               |                   |              |                  |                               |
| Benzene                     |               |                   |              |                  |                               |
| Benzidine                   |               |                   |              |                  |                               |
| Carbon tetrachloride        |               |                   |              |                  |                               |
| Chlorobenzene               |               |                   |              |                  |                               |
| 1,2,4-trichlorobenzene      |               |                   |              |                  |                               |
| Hexachlorobenzene           |               |                   |              |                  |                               |
| 1,2-dichloroethane          |               |                   |              |                  |                               |
| 1,1,1-trichloroethane       |               |                   |              |                  |                               |
| Hexachloroethane            |               |                   |              |                  |                               |
| 1,1-dichloroethane          |               |                   |              |                  |                               |
| 1,1,2-trichloroethane       |               |                   |              |                  |                               |
| 1,1,2,2-tetrachloroethane   |               |                   |              |                  |                               |
| Chloroethane                |               |                   |              |                  |                               |
| Bis(2-chloroethyl) ether    |               |                   |              |                  |                               |
| 2-chloroethyl vinyl ethers  |               |                   |              |                  |                               |
| 2-chloronaphthalene         |               |                   |              |                  |                               |
| 2,4,6-trichlorophenol       |               |                   |              |                  |                               |
| Parachlorometa cresol       |               |                   |              |                  |                               |
| Chloroform                  |               |                   |              |                  |                               |
| 2-chlorophenol              |               |                   |              |                  |                               |
| 1,2-dichlorobenzene         |               |                   |              |                  |                               |
| 1,3-dichlorobenzene         |               |                   |              |                  |                               |
| 1,4-dichlorobenzene         |               |                   |              |                  |                               |
| 3,3-dichlorobenzidine       |               |                   |              |                  |                               |
| 1,1-dichloroethylene        |               |                   |              |                  |                               |
| 1,2-trans-dichloroethylene  |               |                   |              |                  |                               |
| 2,4-dichlorophenol          |               |                   |              |                  |                               |
| 1,2-dichloropropane         |               |                   |              |                  |                               |
| 1,3-dichloropropylene       |               |                   |              |                  |                               |
| 2,4-dimethylphenol          |               |                   |              |                  |                               |
| 2,4-dinitrotoluene          |               |                   |              |                  |                               |
| 2,6-dinitrotoluene          |               |                   |              |                  |                               |
| 1,2-diphenylhydrazine       |               |                   |              |                  |                               |
| Ethylbenzene                |               |                   |              |                  |                               |
