

Horseshoe Bay Walking Trail Project

Celebrating 20 Years of Community Excellence

As Horseshoe Bay marks its 20th anniversary as a city, we invite you to be part of a landmark celebration and legacy project that will benefit our community for generations to come. In commemoration of this milestone, we have developed a scenic walking trail at our City Center that serves as both a recreational resource and a tribute to those who have helped shape our special community. We will expand this trail around City Center in the coming years.

Your Opportunity to Leave a Lasting Legacy

We are seeking community-minded businesses and individuals to support this meaningful project through our sponsorship program. Your sponsorship helps fund the construction of the walking trail, which will be accessible to all residents and visitors.
