Pursuant to King County Code 28.84.050, all sewer customers who establish a new service which uses metropolitan sewage facilities shall be subject to a capacity charge. The amount of the charge is established annually by the Metropolitan King County Council at a rate per month, per residential customer or residential customer equivalent, for a period of fifteen years. The purpose of the charge is to recover costs of providing sewage treatment capacity for new sewer customers. All future billings can be prepaid at a discounted amount.

Questions regarding the capacity charge or this form should be referred to King County Wastewater Treatment Division at 206-477-5512.

I understand that the information given is correct. I understand that the capacity charge levied will be based on this information.

I understand that any deviation may result in a revised capacity charge.
