Inspection Requirements and Access:

I understand that as permit holder I am responsible to call for and provide access for all inspections, further I understand that I am responsible to provide access to the facility to view all installed equipment during normal working hours, and any failed inspection will require the payment of a reinspection fee.

Signature of Owners Authorized Contractor: _____

OR

Home Owners Affidavit:

I am the legal owner of the aforementioned property and understand the inspection requirements above, further I understand that I will be completing the work performed under this permit myself and will not circumvent the licensing laws of the State of Michigan by hiring a non-licensed person to perform this work. If I choose to utilize a licensed contractor, they will obtain their own permit.

Signature of Owner: _____
