**CONSENT FOR HIGH NOISE-LEVEL
HVAC EQUIPMENT INSTALLATION**

I acknowledge that the proposed HVAC equipment at _____ will produce noise at a level that exceeds the 50 decibel limit set forth in Newport Beach Municipal Code Section, NBMC 10.26.025. In compliance with NBMC 10.26.045(C), this form represents written consent to allow exterior noise due to permanently installed heating, venting and air conditioning (HVAC) equipment on the above referenced residential property, to be raised to sixty-five (65) dBA and exempted from the interior noise level standard as specified in NBMC 10.26.030. I understand that the HVAC equipment will not be equipped with a timer to shut off between 10:00 pm and 7:00 am.
