DONATE A BENCH PROGRAM

*Honor a loved one, celebrate a milestone, or simply give back to your hometown.
By donating a bench, you provide a place of rest, reflection, and connection for generations to come.*

Bench Style: Our Classic Cambridge backed bench is made from 100% recycled plastic and features frames that are made to mimic the look of elegant wrought iron.

The benches will have a black frame with cedar boards. Choose from 4-foot or 6-foot lengths.

Customization Options:

1. Engraving ~ Your custom message will be engraved right into the back of the bench, and filled with black resin inlay. The top and bottom bullnosed boards can accommodate 48-74 character pending the length of the bench.

2. Bronze Cast Metal Plaques~ Your custom message will be cast into a timeless 2.5" x 8" bronze plaque. We will router a spot in the back of the bench so the plaque sits flush to the bench board. This plaque can accommodate up to 4 lines of wording, and up to 28 characters per line.

Benches are manufactured in Mid-Michigan from 100% RECYCLED HDPE plastic.
