Fence Height:	Fence Length:			Fence Color:

- Submit a site plan showing the following:
 - Your Property lines (May Require Professional Survey)
 - Building locations
 - Height of Fence
 - Corner visibility triangles
 - All streets, Alleys, and Driveways
 - Proposed location of the fence to be constructed
- Submit a set of detailed construction plans for the Fence. The plans must include a material list and specifications of fence. Material of fence must be manufactured for the purpose of fencing.
- Permit applicants are responsible for the determination and location of easements, property lines, rights-of-way, and utilities prior to application for a permit and construction of fences. A survey by a Registered Surveyor may be required if applicant is unable to demonstrate the property lines. The City is not liable for the placement and construction of the permitted fence.
