Performance Bond for Building permits:

A performance bond is hereby deposited with the City of Memphis in order to insure completion of all work associated with the building permit described below. I acknowledge this bond is a cash non-interest bearing bond which will only be refunded to me if the required work is completed and approved by the City Building Inspector within the time limit set forth in the permit or by City ordinance. If the work is not completed and approved within the time limit, the bond is subject to forfeiture. If the Permit Holder requests and is granted an extension to complete the construction project it will automatically extend the Performance Bond to the stated date.
