

2026 DOG LICENSE APPLICATION

The City of Madison requires that all dogs be licensed annually. The cost of the license is \$5.00 per sterilized dog and \$15.00 per unsterilized dog. Failure to have a dog license will result in a \$77.00 fine. The deadline for licensing is July 1st. After this date, there will be an additional \$5.00 penalty fee per dog.

As a reminder, the City of Madison and State of Georgia require all dogs to be vaccinated against rabies by a licensed veterinarian. Proof of rabies vaccination is required to obtain a dog license.

The license is issued in the form of a tag for your dog's collar. This tag is in addition to the rabies tag issued by your veterinarian. You may obtain the City of Madison license/tag...
