The waiver application request must be completed in full and include the appropriate studies, investigations, and colored coded maps. Applicants must provide 12 copies minimum of supporting documentation with the waiver application. A separate application is required for each waiver.

WAIVER JUSTIFICATION:

Following a public hearing, the Tower Commission is authorized to consider and grant a waiver from the requirements of section 41-53(h) of the City Code upon finding compliance with Sections 41-59 (d) and (e). Provide an attachment to this form repeating the one or more appropriate criteria with a response for justification of the waiver showing that:

1. *the approved tower or tower structure located within 1,000 feet of the proposed tower will not meet the applicant's engineering requirements because..., or;*
2. *the approved tower or tower structure located within 1,000 feet of the proposed tower is not of sufficient height to meet the applicant's specific engineering requirements because ..., or;*
3. *the approved tower or tower structure located within 1,000 feet of the proposed tower does not have sufficient structural strength and cannot reasonably be reinforced to provide sufficient structural strength because..., or;*
4. *the antenna array of the approved tower or tower structure located within 1,000 feet of the proposed tower would cause electromagnetic interference with the antenna array of the proposed tower, or the antenna on the proposed tower or tower structure to be located within 1,000 feet of the approved tower would cause interference with the antenna array of the approved tower because..., or;*
5. *the approved tower or tower structure located within 1,000 feet of the proposed tower is not adaptable to accommodate additional antenna arrays or the costs required to share or adapt the approved tower or tower structure are unreasonable because..., or;*
6. *the approved tower or tower structure located within 1,000 feet of the proposed tower is not available for co-location because the owner of the approved tower or tower structure or the owner of the tract on which the approved tower or tower structure is located refuses to agree to reasonable terms necessary to accommodate the requirements for the proposed antenna because..., or;*
7. *the approved tower or tower structure located within 1,000 feet of the proposed tower is not suitable for the specific requirements for the proposed antenna due to other factors as demonstrated by the applicant, taking into account any federal or state licenses the applicant may have received to conduct its business because....*
