In submitting this Pool Construction Affidavit, the undersigned contractor and owner certify that any dirt removed from:

(Address of Pool Construction)

Town of Flower Mound, Texas, for the construction of a swimming pool shall be disposed of at:

(Address of Dirt Disposal)

NOTE: If dirt is to be disposed of within the town limits of Flower Mound, written permission from the owner of the disposal site must be attached.

The undersigned contractor and owner also certify that construction of a swimming pool at the first above address shall not alter or impede the drainage of such lot or cause drainage problems on any adjacent property.

The undersigned contractor and owner further certify that at all times during the construction of the pool a temporary fence, at least forty-eight inches (48") in height and capable of securing the pool construction area from small children, will protect the pool area until such time that a permanent fence is erected around the pool. Prior to receiving final inspection approval of the pool, all permanent fencing requirements must be met. Permanent fencing requirements are outlined in the Fence & Wall Information Packet.
