Vacancy Reconnect Permit Form

This form is to be used in the event that a commercial property owner needs a City of League City inspection in order to release utilities to a vacant commercial space.

This form is only able to be used when no remodel or repair work is being done, and only for the purpose of showing the vacant space to prospective tenants.

Prospective tenants should apply for a Business Registration with the City and receive approval prior to signing any contracts to lease from the property owner. The Business Registration process (including inspections) must be completed prior to any business operations in the space.
