Description of Work : _____

Compliance Certification Standard of Care

 Initial Here I certify that my inspection was performed in accordance with all applicable provisions of law, codes, ordinances, and standards as adopted by the City of Forest Hill and the State of Texas, and that I found this Home Backup Power Installation to meet all requirements of the aforementioned laws, codes, and ordinances, and that my findings are true and correct. Additionally, I certify that all deficient items have been corrected and that there are no deviations, deficiencies, or unresolved items under the scope of this permit.

- Complies with all the City of Forest Hill's adopted codes
- Complies with the adopted 2020 National Electrical Code
- Complies with all the City of Forest Hill's Zoning Ordinances
- Complies with all requirements of the City of Forest Hill's Flood Damage Prevention Ordinance Chapter 4 -Building Regulations Article 4.05 | Ordinance 2009018, art. I, sec. C, adopted 9/18/09; 2013 Code, sec. 24-3

Liability Acknowledgement

 Initial Here I acknowledge that I am personally liable for any damage resulting from my negligent acts or omissions in conducting this plan review.

The City of Forest Hill will require a **letter of completion from the Master Electrician on record** confirming that all electrical work has been completed and meets the **2020 National Electrical Code (NEC)** standards.

In addition, **all plans must be stamped and sealed by a licensed Structural Engineer**, and the **roof must be inspected by a qualified third-party inspector** prior to the installation of any solar panels. These requirements must be satisfied and verified before permit finalization or approval of installation may proceed.

The City of Forest Hill currently operates under the following ICC Codes and has adopted the NCTCOG regional amendments:

- 2024 International Building Code
- 2024 International Residential Code
- 2024 International Mechanical Code
- 2024 International Plumbing Code
- 2024 – all other Codes except listed below
- 2023 National Electrical Code
- 2018 Solar Energy Provision
- 2015 Energy Conservation Code
