SKETCH OF FENCE PERMIT SITE PLAN

A site plan is required when applying for a Fence Permit. Use this sketch or supply your own.

1. Residential fences may be erected in front yards parallel to the building to a height not exceeding three feet (3') above the finished grade and/or approximately on, the common property line.
2. Ornamental, chain link, and shrubbery and hedge residential fences in side and rear yards may be erected in side and rear yards parallel to and on, or approximately on, the common property line to a height of not more than six feet (6').
3. Privacy fences Shall be permitted only in rear and side yards. Such fences may be erected parallel to and on, or approximately on, the common property line to a height not exceeding eight feet (8') above the finished grade.
4. The finished side is required to face outward
