

OGDENSBURG OPEN FOR BUSSINESS

Septage Haulers:

The City of Ogdensburg (City) Water Pollution Control Facility (WPCF) has recently constructed a new waste receiving building at their WPCF located at 16 Railroad Street, Ogdensburg NY 13669.

The City is requiring all septage haulers who wish to discharge septage waste at the City WPCF to complete the attached Application for Septage Receiving Services, sign the Agreement for Septage Receiving Services and return both of these documents along with a check addressed to the City of Ogdensburg in the amount of \$100 for the application fee by mail to the following attention/address:

**Debra Langley
City of Ogdensburg
330 Ford Street
Ogdensburg NY 13669**

If your application is approved, you will be notified and a signed permit will be returned to you along with the hauler specific information required to utilize the City's electronic septage receiving station. If your application is denied the application fee will be returned.

If you have any questions regarding the Application for Septage Receiving Services or the Agreement for Septage Receiving Services documents, please contact David Rohe at (315) 393-2810. We look forward to doing business with your company.
