Desoto County Ordinance number 2006-35 dictates that prior to a building permit being issued for the construction or renovation of any structure, the applicant shall provide for the collection and disposal of any construction and demolition debris. No permit will be issued until one of the two following methods is chosen.
1. The applicant may choose to enter into a contract with the franchisee of the county. (Womack Sanitation Inc.)
2. The applicant may self-haul their own waste to an authorized landfill using the applicant's equipment and bona fide staff personnel of the applicant.
I choose to (please initial next to your selection):
1. Use County Franchisee – attach contract with Womack Sanitation Inc.
2. I will self-haul – I will dispose of all construction and demolition debris at a licensed disposal facility. You will be required to show evidence of proper disposal upon request of code enforcement or any other county department.

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. I understand that a separate permit must be secured for ELECTRICAL WORK, PLUMBING, SIGNS, WELLS, POOLS, FURNACES, BOILERS, HEATERS, TANKS, and AIR CONDITIONERS, etc.

By initialing here, I certify that this permit is being applied for as a result of a Stop Work Order being issued, or a Code Enforcement Case, and that all work on the site has ceased. I certify that work will not recommence until a permit has been issued.

OWNERS AFFIDAVIT: I certify that all the forgoing information is accurate and that all work will be done in compliance with all applicable laws regulating construction and zoning.

WARNING TO OWNER: YOUR FAILURE TO RECORD A NOTICE OF COMMENCEMENT MAY RESULT IN YOUR PAYING TWICE FOR IMPROVEMENTS TO YOUR PROPERTY. A NOTICE OF COMMENCEMENT MUST BE RECORDED AND POSTED ON THE JOB SITE BEFORE THE FIRST INSPECTION. IF YOU INTEND TO OBTAIN FINANCING, CONSULT WITH YOUR LENDER OR ATTORNEY BEFORE COMMENCING WORK OR RECORDING YOUR NOTICE OF COMMENCEMENT.

Owner & Contractor must both sign below if contract amount exceeds \$5,000 unless the contract is for HVAC at a cost of \$15,000 or less. If Notice of Commencement has been signed by owner and submitted prior to, or with, this application, owner's signature is not required on this application form.
