BOATING RULES

1. Boats must have Illinois registration numbers and be displayed in the appropriate place on the boat. All Illinois boating laws apply on McCullom Lake.

2. McCullom Lake residents will be allowed no more than (2) boat posts.

3. Twenty-two boats will be allowed to be left at the launch site at the cost of \$20.00 per post, per season. April 1st–October 31st. A yearly permit may be purchased at a cost of \$40.00 renewable before April 1st in the next year.

Boats found at the launch site that are not recorded as having 1 year permits, will be removed at owner's expense and will be charged a \$25 a month storage fee.

4. Maximum length for boats is 14 feet. Maximum horsepower for motors is 10 or 25 hp for pontoon boats.

5. There is no parking on the road to the launch or at the launch site. You are allowed a short time to unload equipment; then the vehicle and trailer must be returned to the parking lot.

6. Boats that are moored April-October must be removed by October 31, or they will be removed at owner's expense, and a \$25 per month storage fee will be charged.

7. The Village of McCullom Lake is not responsible for any theft or damage to boats.

8. Keys to the boat launch may be purchased separately. The annual fee is \$5.00. Keys must be returned by November 1st.

I understand and agree to comply with all of the above guidelines.
