REQUIREMENTS FOR HOT WORK

DATE: _____

BUSINESS NAME: _____

BUSINESS
ADDRESS: _____

PHONE NUMBER: _____

Fire Department approval for the use of welding, cutting and other hot-work equipment under section 105 of the California fire code will be granted subject to the 2016 California Fire Code, Chapter 35 requirements. (<https://archive.org/details/gov.ca.bsc.title24.2016.09/page/387>)

The permit is non-transferable and is granted for the above-noted business name and location. The permit may be subject to revocation for proper cause, for violation of the fire code, title 19, or when deemed necessary for public safety. Non-compliance with any provision stipulated herein constitutes a violation.

A permit fee of \$161.00 is required. Please make check payable to the City of Alhambra. An appointment shall be made with the Community Risk Reduction Division, a minimum of five working days in advance for inspection and permit issuance.

If you have any questions regarding these requirements and to schedule an appointment to process a permit, please contact the Fire Department at (626) 570-5193.
