DIRECTOR OF ENGINEERING

APPROVAL IS CONDITIONED UPON ALL RESPONSIBILITY BEING ASSUMED LOCALLY FOR BARRICADES, CROWD CONTROL, AND CONTROL AND DIRECTION OF VEHICULAR AND PEDESTRIAN TRAFFIC.

This is a detailed street map of a coastal area, likely in Maryland, showing a grid of streets, several lakes, and the Atlantic Ocean. The map includes labels for streets such as Ocean Avenue, Broadway, and various local roads. It also shows geographical features like the Manassquan River, Gull Island, and Lake Louise. A compass rose indicates North is towards the top right. A scale bar at the bottom shows distances in miles and kilometers.

Streets and Roads:

- Coastal Roads:** Ocean Avenue, Water St., Inlet Drive, Manassquan Inlet.
- Main Roads:** Broadway, Central Avenue, Arnold Avenue, Trenton Avenue, Bay Avenue, New Jersey Ave, New York Ave, Philadelphia Ave, Washington Ave, Elizabeth Ave, Carter Ave, Sea Avenue.
- Local Roads:** Channel Drive, Broadway, Randolph Ave, Howard Ave, Yale, Princeton, Semour, Homestead, Wiburk Street, Central Avenue, Arnold Avenue, Trenton Avenue, Bay Avenue, New Jersey Ave, New York Ave, Philadelphia Ave, Washington Ave, Elizabeth Ave, Carter Ave, Sea Avenue.

Lakes and Water Bodies:

- Lake Louise
- Little Silver Lake
- Lake of the Lilies
- Manassquan River
- Gull Island

Other Features:

- Wills Hole Thoroughfare
- Point Pleasant Parkway
- Richmond Avenue
- Sea Avenue
- East St.
- West St.
- North
- South

Scale and Orientation:

- Scale: 0 to 1 mile, 0 to 1.6 kilometers.
- Compass Rose: North (N) is towards the top right.

If you are planning on placing port a johns at the site or anywhere along the route, please mark on the map where they will be placed.
