LETTER OF INTENT TO WORK

REF: Fire Sprinkler System Installation

Address:

Date:

To Sunnyvale Fire Marshal,

_____ (owner/builder) understands a fire sprinkler system shall be installed by a certified contractor at the address stated above. All system plans shall be in accordance with the Town of Sunnyvale adopted codes and amendments and submitted for approval.

Plans will be reviewed and accepted or denied and posted for the contractor's review. Two inspections will be required for the system: (1) Fire Sprinkler Rough (hydro/visual) when the system is installed, and (2) Final Sprinkler inspection when the home is substantially complete. Inspection results will be posted for the contractor's review.
