Please describe the property and provide detailed directions to its location:

**APPLICATION FOR SERVICE
OUTSIDE FIRE PROTECTION**

APPLICANT ACKNOWLEDGEMENT

I, the undersigned registrant, understand that I am responsible for the following:
Please Initial Each Item Below

- _____ Furnishing the City Clerk's office with such information as may, from time to time, be requested by the city to properly register any such property for Outside Fire Protection.
- _____ Payment of registration fee is due and payable before February 1, of each year, whether a renewal is received by the applicant or not. A penalty of 15% will apply after February. Payment of up to \$250.00 will be charged to owner/owners of record for each service call.
- _____ Any deviations or violations of the above items risk removal from Outside Fire Protection Service List and associated services for the premises listed on this application without further notice.
- _____ There will be a waiting period of **(1) one business day** before activation of outside fire protection service.

Further, I understand the provision as contained in Sec. 42-65 of the Cedartown City Code as follows:

Nothing contained in this article shall be construed as a contractual duty or obligation in any manner of the city to respond to any call for outside fire protection to a registrant when it is impractical to respond due to other emergencies, an act of God or other calamity which prevents an immediate response.

Nothing contained in this article shall impose any liability upon the city or its commission, staff, employees, agents or assigns for failure to extinguish a fire, failure to prevent a fire from spreading, or otherwise conducting any acts in attempting to provide outside fire protection to any property improvement, dwelling or other structure owned by any registrant. Further, there shall be no liability upon the city for any damage, injury, loss or claim due to injuries to persons or property by reason of the personnel of the city responding to any call or otherwise providing any outside fire protection service pursuant to this article.
