EXCAVATION PERMIT APPLICATION

Office Use Only

Approved _____ Denied _____

Permanent Parcel No. _____

Excavation Permit No. _____

Date _____

Name _____ Company Name _____

Company Address _____

Phone _____ Email _____

Bonding Company _____ Address _____

Amount of Bond _____
(\$50,000.00 bond required for all types of excavation – See Sec. 33-4-4)

Address of Proposed Excavation: _____

Reason for Excavation _____

Will You Be Excavating In A Paved Area () Yes () No

Unless waived by the city, include a professionally prepared 11"x17" map of location and of the proposed work, plus a sketch of plan and profile.

A deposit in the amount of \$250.00 or \$1,000.00 (if excavating in pavement) will be due at the time of application. This deposit will be cashed by the City. Once the site has been restored and inspected by the City, the deposit amount will be refunded to the applicant.

Call the City hall and ask for an inspection when backfilling in pavement and when the site has been completely restored.

I have read the municipal law regarding excavations and my firm or company intends to fully comply with the Street Regulations Code provisions found in Chapter 33 of the Mascoutah City Code of Ordinances

Applicant Signature
