

PROJECT NAME: _____

VOLUNTARY ANNEXATION

APPLICATION & CHECKLIST SUBMITTAL PACKET

GENERAL INFORMATION

Annexation is the process of incorporating new land into the city limits. Areas within the city limits are eligible to receive city services including residential trash collection, library, police and fire protection. The landowner request annexation with an application and a petition for annexation. The City considers the request and associated zoning with regard to the City's comprehensive plan, the proposed land use, the cost of providing services, potential tax issues, and any other concerns related to that specific site. A municipal services agreement, which specifies the services to be provided and how they are to be provided, must be signed by the property owner before the annexation can proceed.
