

NEW BUILDING DEPARTMENT NEWS:

1. Per Village Code §365-20J – Façade Improvement and Board of Trustees Resolution #12 of 2024: There shall be the requirement of a non-refundable Village Façade Improvement Fee on all new and/or substantially new construction projects in the Retail Business District, in which a fee shall be an amount equal to two dollars (\$2.00) per square foot.

The payment of the fee shall be paid as follows: one half of the full amount shall be payable upon the issuance of a Building Permit and the balance shall be payable upon the issuance of a Certificate of Completion or Certificate of Occupancy.

2. Per Village Law §7-725A, a parks, playground and recreation fee be set aside of not less than \$2,000.00 per residential unit to be imposed for any development site plan where land for parks, playground or recreation are not adequately provided.
3. As of November 11, 2019, any first or second floor additions to an existing building (commercial or residential), now required a permit from the Southwest Sewer District. Building Permits will not be released from this office without this documentation.

DEPARTMENT OF PUBLIC WORKS
SANITATION ENGINEERING
335 YAPHANK AVENUE
YAPHANK, NY 11980
631-854-4185

4. Permits will not be released if there are any outstanding fees, fines or violations outstanding with the Village. All must be satisfied before the permit can be released.

DESCRIBE, IN DETAIL, THE WORK TO BE PERFORMED

INFORMATION REQUIRED FOR OBTAINING A BUILDING PERMIT

1. Four (4) copies of the Building Permit application filled out completely.
2. Four (4) sets of Construction plans (signed and sealed) drawn to scale, indicating the proposed work. (Signed and sealed plans not required if cost of construction does not exceed \$20,000.)
 - All plans must provide building area calculations for existing and proposed/modified areas in square feet.
 - If any changes are made during construction, a new signed and sealed drawing must be submitted indicating the changes made.
 - Approved plans are to remain on the job site and are to be made available during each inspection.
3. Four (4) copies of a survey dated within two years indicating the work to be performed and indicating all structures, yard requirements, and zoning district.
 - An updated **Final Survey** is required to obtain a Certificate of Occupancy
4. A copy of any/all Planning Board Approvals-if required
5. A copy of any/all Zoning Board of Appeals Approvals-if required
6. Proof of ownership copy of deed or tax bill. (if recent changes in ownership).
7. Payment of Building Permit Fee as calculated from the Village's Permit Fee Schedule.
8. Proof of insurance of all contractors (Worker's Compensation, Disability & Liability).
 - Acceptable Workers' Compensation Forms: C-105.2, C-105.21, U-26.3, SI-12, GSI-12
 - Acceptable Disability Forms: DB-120.1, DB-155
 - NYS Entities with NO employees must submit a CE-200 form.
9. All plumbers and electricians must be licensed and proof of the license must be submitted prior to the issuance of permits.
10. If curb cut(s) and road opening(s) are needed, please contact Clerks Office (631) 669-1500.
11. The Village of Babylon enforces the New York State International Building Codes. All work performed must conform to the New York State International Building Code and the Code of the Incorporated Village of Babylon.
12. Although it is not permitted, it is well established that from time to time, property owners seek Certificates of Occupancy for work, which has already been completed, without the benefit of scheduled inspections. The Incorporated Village of Babylon retains the absolute right to require that all or part of such work be removed to allow full inspection. As an alternative, the Village may attempt to complete its inspections without requiring such removal at the request of the property owner. In such cases, the property owner is hereby cautioned that completed work often conceals material significant to the building's structural integrity. Property owners not opting to expose structural materials assume responsibility for any defects.
13. Failure to obtain a Certificate of Occupancy on permitted work within six (6) months will require payment of a *Renewal Fee* before further inspections can be scheduled and a Certificate of Occupancy can be issued.

STORM WATER POLLUTION PREVENTION

PROPOSED LAND DEVELOPMENT ACTIVITY

If the proposed Land Development Activity falls under either of the parameters outlined below a Storm Water Pollution Prevention Plan or SWPPP shall be required. All SWPPPs shall comply with Chapter 150 of *The Code of the Village of Babylon*.

- ☐ A. Construction activity within the Village of Babylon including clearing, grading, excavating, soil disturbance or placement of fill that results in land disturbance of equal to or greater than 1 acre, or activities disturbing less than 1 acre of total land area that is part of a larger common plan of development or sale, even though multiple separate and distinct land development activities may take place at different times on different schedules.
- ☐ B. Construction activity within the Village of Babylon and adjacent to watercourses and municipal parklands, including clearing, grading, excavating soil disturbance or placement of fill that results in land disturbance of equal to or greater than 1 acre, or activities disturbing less than 1 acre of total land area that is part of a larger common plan of development or sale, even though multiple separate and distinct land development activities may take place at different times on different schedules.
- ☐ Neither A Nor B

AFFIDAVIT

*Incorporated Village of Babylon
Town of Babylon, County of Suffolk, State of New York*

I _____ hereby certify that I have received, read and understand all of the enclosed instructions regarding the Building Permit Application for the Village of Babylon and have filled this application out to the best of my ability.

I am fully informed that it is a violation of the Ordinances of the Village of Babylon to occupy the dwelling to be erected on this property until a Certificate of Occupancy shall have been issued by the Village Building Inspector.

I swear that to the best of my knowledge and belief the statements contained in this application, together with the plans and specifications submitted, are a true and complete statement of all proposed work to be done on the described premises and that all provisions of the BUILDING CODE, the ZONING ORDINANCE, and all other laws pertaining to the proposed work shall be complied with, whether specified or not, and that such work is authorized by the owner. I also state that any structure located on the lot for which this application is made has functioning SMOKE and CARBON MONOXIDE DETECTORS installed in accordance with New York State Department of State requirements.
