Temporary Road Closure? YES NO

If YES, then **must** submit a Traffic Control Plan one week in advance for approval.

Is proof of insurance and bonding attached as per Section 13.09.037.? YES NO

If No, a copy **must** be on file before approval.

City of Celina no longer participates in the Texas 811 notification for line locates. Below is a link to submit standard line locates as well as emergency locates.
<https://www.celina-tx.gov/1443/Service-Requests> . In case of water or sanitary sewer emergencies, please call (972) 382-9886.

The line will be constructed and maintained in the city easement as shown on the attached drawing and in accordance with the rules, regulations and policies of the City of Celina, Texas, TXDOT, and all other governing laws, including but not limited to the "Federal Clean Water Act", the "Federal Endangered Species Act", and the "Federal Historic Preservation Act". Upon request by the City, proof of compliance with all governing laws, rules and regulations will be submitted to the City before commencement of construction. Please refer to Sections 13.09 of the City of Celina Code of Ordinances. As per Section 13.09.221, any person violating or failing to comply with any provision of this division shall be fined, upon conviction, in an amount not more than two thousand dollars (\$2,000.00), and separate offenses shall be deemed committed each day during or on which a violation occurs or continues. The penal provisions imposed under this division shall not preclude the city from filing suit to enjoin the violation. The city retains all legal rights and remedies available to it pursuant to local, state, and federal law.

The Contractor will use Best Management Practices to minimize erosion and sedimentation resulting from the proposed installation and will re-vegetate the project area as indicated under "Re-vegetation Special Provisions". The Contractor will ensure that traffic control measures complying with applicable portions of the "Texas Manual of Uniform Traffic Control Devices" will be installed and maintained for the duration of the installation. The location and description of the proposed line and appurtenances shall be more fully shown by complete set of drawings attached to this notice. As-built drawings shall be submitted within 60 days.

Work hours are 8:00AM-5:00PM, Monday - Friday. No boring or drilling on Friday or Saturday. No work 24 hours before holidays. An English-speaking supervisor must be on site at all times.

(This space for City use)

By signing below, I certify that I am authorized to represent the Contractor as listed above, and Contractor agrees to the conditions/provisions included in this permit.
