

Fire Flow Values Request Form

City of St. Helena
Public Works Department

Site Address: _____

Requester Information

(All communication from our office will be made to this person via email)

Company Name: _____

Contact Name : _____ Phone Number: _____

Email: _____

Completed forms can be submitted electronically to **pwpermits@cityofsthelelena.gov**.

Starting January 1, 2024, a nonrefundable fee of \$194 is required at the time of submittal. Payment can be submitted to **pwpermits@cityofsthelelena.gov** with our attached Credit Card Authorization Form. If you wish to make a payment via mail or in person, City Hall's address is 1088 College Avenue, St. Helena, CA 94574.

PLEASE ALLOW UP TO TWO WEEKS TO RECEIVE THE REQUESTED FIRE FLOW VALUES

The fire flow test values are based on the operational conditions at the time of the test. Once a sprinkler system is designed and installed, it is the responsibility of the property/building owner to conduct regular sprinkler inspections. It should be noted that the requirements by the State Water Board are to operate the system with a minimum pressure of 20 psi.
