

LOCATION OF AIR CONDITIONING UNITS, POOL EQUIPMENT, HEAT PUMPS, AND AUXILIARY GENERATORS

CHAPTER 18 SECTION 18-40

FILL IN ALL REQUESTED INFORMATION

All mechanical units, such as air conditioning equipment, pool equipment, heat pumps and auxiliary generators, must be located at the rear of the house, except as provided herein. Units may be placed in a side yard only if all of the following occur:

- (1) The applicant provides a drawing showing the exact location of a unit, distance from lot line and the neighbor's house.
- (2) The proposed unit is three (3) feet or more from the lot line, and
- (3) The applicant provides written consent from the owner of the neighboring property adjacent to the unit

We, _____ of _____ Street, are the
Neighbors of _____ Street, who have requested and are
receiving our approval to install the _____ on their side yard.
