Colony Caretaker Rules and Regulations

I understand that as part of my participation with the Spotswood TNVR Program, I agree that:

1. I am responsible for keeping the feeding stations for my colony neat and clean, providing fresh food and water for my colony every day. I am also responsible for keeping accurate data on all cats in my colony including newcomers and kittens and reporting this data to the Borough on a monthly basis.
2. I will allow Borough personnel onto my property to trap feral cats for sterilization and to check that proper care is given to the colony. I will only trap feral cats if I am given prior approval by the Borough liaison.
3. If I am given approval to trap feral cats, I will not use the trap(s) to knowingly capture any cat with a home; to capture a healthy animal to be euthanized; for any unlawful purpose; or to capture any cat for research/testing purposes whatsoever.
4. I understand that I may be required to trap or transport feral cats that are captured from my colony as part of this program. Additionally, I understand that I may be required to hold a cat overnight for release following the medical procedure.
5. All feral cats in the Borough Trap/Neuter/Vaccinate/Release Program will receive a spay or neuter, rabies & distemper vaccinations, and ear tip. A FIV/FelV test and any other medical treatment will be done on a case-by-case basis at the discretion of the veterinarian and sponsor.
6. In some cases, it may be necessary to euthanize cats and/or kittens whose physical conditions may prevent them from having a quality of life and that this decision will be made by the Borough liaison and licensed veterinarians. I further agree that I will not hold the Borough or veterinarian(s) liable or responsible for the decision or their actions.
7. I understand that violations of these rules and regulations, in addition to the trapping and feeding policy may result in a written warning or municipal summons as described in the municipal ordinance for the TNVR Program.

Upon Signing below, I hereby agree to all rules and regulations stated above.
