PEX FLUSHING CERTIFICATION

Permit Number: _____

Physical Address: _____

I certify that the PEX plumbing system installed at the address listed above complies with the manufacturer's installation requirements and with the applicable California Plumbing Code standards. Furthermore, I certify that I have complied with the PEX flushing procedure as set forth in Section 604.1.2 of the California Plumbing Code. The new plumbing system was first filled and flushed on (date) _____ by (name) _____.

The State of California requires the system to be flushed after standing at least one week after the fill date specified above. If this system is used earlier than one week after the fill date, the water must be allowed to run for at least two minutes prior to use for human consumption.

Any contractor or subcontractor found to have failed to comply with the PEX flushing requirements shall be subject to the penalties per Health and Safety Code, Division 13, Part 1.5, Chapter 6 (Section 17995, et seq.).

Name of Plumbing Contractor: _____
