

Village of Quogue

Design Review Board Application Form

The Design Review Board reviews the exterior design of proposed new buildings or structures and alterations of existing buildings and structures in order to assure that the design is compatible with the neighborhood and otherwise consistent with the objectives of promoting the health, safety and general welfare of the community and preserving and protecting the value of properties in the Village of Quogue. Additional information concerning the Design Review Board's function and procedure is available at the Village Office or at www.villageofquogueny.gov

Please complete the information called for below and file completed application and **three copies** of the following materials with the Village office:

- Elevations, renderings and floor plans of proposed project (full construction drawings are not necessary).
- Site plan of property including landscaping (existing and proposed). If a garage is planned indicate placement on the site plan at least 6' evergreen plantings screening the garage doors if they face an adjacent property. Normally, garage doors should not face the road.
