GENERAL RULES

- Be respectful and courteous of incoming and outgoing traffic
 - DO NOT block roadways and drive slowly
- Keep the surrounding area tidy
- The City is not responsible for the maintenance and upkeep of filling and dumping areas

HOURS OF OPERATION

Monday – Thursday: 6:00am to 2:00pm
Friday: 6:00am to 11:00am

HYDRANT RULES

- **Place a token for each fill regardless of vessel size.**
- Hydrant users are expected to provide their own equipment needed to operate the hydrant,
 - Proper hydrant wrench, hoses, and attachments
 - The City will provide the Meter/RP ONLY
- Always practice proper hydrant operation
 - Fully open and close hydrant slowly. Do not “throttle” the hydrant, use external quick valve to reduce flow.
- Always have an operator present while filling from the hydrant

DUMPING RULES

- **Place a token for each fill regardless of vessel size.**
- Vac equipment containing mud or slurry is to be dumped in the pit near the entrance.
 - The pit will need excavated out periodically to maintain capacity.
- Dump trucks/trailers containing approved fill material are to be dumped in designated areas only and away from any roadways.
- Clean tires if necessary to not track mud
 - There is no water available for public use in the area.
- Clean fill only (Dirt, sand, gravel and small rocks, and street sweepings).
 - No branches, asphalt, grass, large rocks, etc.

APPLICANT ACKNOWLEDGMENT AND AGREEMENT

By signing below, I acknowledge that I have received, read, and understand the City of Toledo's Procedure for Hydrant Use and Water Disposal at the Wastewater Treatment Plant.

I understand and agree to the following:

_____ A non-refundable application fee of \$50 is required with my application.

_____ A refundable deposit of \$500 is required before any hydrant use or material disposal is authorized.

_____ Hydrant use and material disposal are subject to approval by the City of Toledo.

_____ Contractors and users are responsible for providing their own equipment for obtaining water from the hydrant.

_____ A fee of \$20 per fill and/or \$20 per disposal is required and must be paid prior to service (tokens available at City Hall).

_____ I understand that tokens issued by the City must be deposited in the designated drop box prior to use of the hydrant or dump site.

_____ I understand that only approved materials may be disposed of at the Wastewater Treatment Plant.

_____ I understand that prohibited materials include, but are not limited to: asphalt, concrete, tires, plastic, vegetation, organic material, and large rocks exceeding 12 inches in diameter.

_____ I understand that City staff may inspect materials being disposed of and may deny disposal of unauthorized materials.

_____ I understand that failure to follow City procedures, misuse of the hydrant, unauthorized disposal, failure to pay fees, or violation of any applicable regulations may result in forfeiture of my deposit.

_____ I understand that future access to City hydrant and disposal services may be denied for non-compliance.

_____ I understand that I must contact City Hall to formally close my application in order to request a refund of my deposit.

_____ I understand that deposit refunds may take up to 30 days following final review and verification of compliance.

ASSUMPTION OF RESPONSIBILITY

By signing this acknowledgment, I accept full responsibility for any damages, cleanup costs, environmental violations, regulatory fines, repairs, or other expenses resulting from my use of the City hydrant, disposal site, equipment, or facilities.

I further agree to indemnify and hold harmless the City of Toledo, its elected officials, employees, agents, and volunteers from any claims, damages, liabilities, losses, costs, or expenses arising from my use of the hydrant or disposal facilities.

CERTIFICATION

I certify that the information provided in my application is true and accurate. I agree to comply with all City of Toledo procedures, regulations, and instructions related to hydrant use and water disposal services.

I understand that failure to comply with these requirements may result in the loss of deposit funds, denial of service, restriction from future participation in the program, and liability for any damages or costs incurred by the City.
