Contractor Name & Address (If Applicable): _____

Phone: _____ Cell: _____ Email: _____

Name of Responsible Person: _____ Phone: _____

Will there be cooking, heating or open flames in this structure? YES _____ NO: _____

If yes, please explain fully: _____

Separate permits are required for Fire, Electrical, and Mechanical, Plumbing and Building. Tents and membrane structures having an area in excess of 200 square feet and canopies in excess of 400 square feet shall not be erected, operated or maintained for any purpose without first obtaining a permit and approval from the fire code official. A minimum of one 2A 10BC fire extinguisher is required for each tent or canopy. Additional fire extinguishers may be required due to the size of the structure, the activities within the structure or for the material on display or demonstrated.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Any owner or authorized agent violating statements in this permit application, shall be subject to citation punishable by a fine of not more than \$2,000.00.
