Project Address: _____

Permit Number: _____

Date: _____

Reviewer/Inspector Name: _____

Certification/License Number and Type (if applicable): _____

In accordance with Texas Local Government Code Chapter 247, I acknowledge that I am not employed by, acting on behalf of, or representing the City of La Porte, and that I independently performed the plan review and/or inspection associated with the residential backup power installation identified above.

As consideration for the City issuing a permit based exclusively on third-party review and/or inspection as authorized by Chapter 247, I agree to the following terms and conditions:

1. **Release and Hold Harmless:** I release and agree to hold the City of La Porte, including its officials, employees, and agents, free from any liability, claims, damages, or demands arising from or connected to the review, approval, inspection, or installation of the system covered by this permit.
2. **Indemnification:** I agree to indemnify, protect, and defend the City of La Porte, its officials, employees, and agents from and against all claims, losses, damages, liabilities, and expenses, including reasonable attorney's fees and court costs, arising out of or related to:
 - o My actions or failures to act in performing the review or inspection;
 - o Any noncompliance of the installation with applicable laws, codes, or standards; or
 - o Any bodily injury, property damage, or other impacts associated with the work reviewed or inspected.
3. **Responsibility for Work:** I acknowledge full responsibility for the completeness, accuracy, and code compliance of all work reviewed or inspected under this authorization, and I understand the City of La Porte bears no responsibility for that work.
4. **No Independent City Verification:** I understand that the City of La Porte has not conducted its own review or inspection of the system and has relied entirely on my determinations regarding compliance.
