Development Services Department Building Safety Division RRP ACKNOWLEDGEMENT

The Environmental Protection Agency (EPA) Renovation, Repair and Painting Rule requires renovators, painters, and rental property owners to be EPA-Lead-Safe Certified firms with an EPA Lead-Safe Certified Renovator for most paint disturbing work at pre-1978 residential properties. This requires that the applicant for any renovation¹ work that is regulated under 40 CFR §745.82 submit a sworn statement that individuals performing the renovation are properly trained, renovators and firms performing the renovation are certified, and required work practices will be followed during the renovation. Building Permits required under CA. Building Code § 105.1 are subject to this ordinance.
