Requirements (per Section 7.08.020(J) of the El Cerrito Municipal Code):

1. Number of Hives. A maximum of one beehive shall be permitted by right on properties of at least 5,000 square feet that contain a single-family dwelling unit, as long as the property owner holds a Honeybee Keeping Clearance.
2. Location of Beehives. Beehives shall be located behind the principal structure on the property. Beehives shall not be located closer than 20 feet to dwellings on adjacent properties or 5 feet from a property line. Beehives shall not be subject to Section 19.06.030(T), Accessory Building Standards.
3. Notice. Upon determining that a Honeybee Keeping Clearance application is complete, the Zoning Administrator shall mail notice to the owners of all properties which directly abut the property for which a Honeybee Keeping Clearance application has been submitted. The notice shall contain the date on which the Honeybee Keeping Clearance will take effect. The Honeybee Keeping Clearance shall become effective no fewer than 14 days after the date of the notice.
