PLUMBING PERMIT APPLICATION

Permit No. _____

NOTICE

Any owner, authorized agent or contractor who desires to construct, enlarge, alter, repair move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any plumbing system, the installation of which is regulated by this code or to cause any such work to be done, shall first make application to the code official and obtain the required permit for the work.

All persons who obtain a permit regulated by this code shall possess a responsible master plumbing license in accordance with the provisions of the Texas Occupations Code Chapter 1301.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
